In the large of the la foreigners on the river, and will be still more so outy on native articles of trade, from the when a steamer of light draft, now being con- apparent injustion of such a differential duty in structed, is running between it and Swatow. structed, is running between it and dwards.

3rdly.—So for an loreigners are concerned cause a loss of some Table 80,000 local revenue.

(and Chinese also, if they choose to avail of the as the Chinese authorities declare, it is possible GENERAL STOREKEEPERS. foreign medium for the transmission of their that rather than lose this they may covertly goods), certain village "black mail levies" are roled obstacles to the trade in foreign goods either at Chao-chow foo or in the interior, fatal tf14221 QUEEN'S HOAD. HONGKONG. Lastly.—A larger field is open to foreign en- to its prosperity. While China is governed as terprise which, if properly directed, may lead it is, the danger of such devious courses being CITTPS'COMPRADORE and STEVEDORE to increased consumption of British fabrics, as | resorted to must always be great. This and well as the export of some articles of native many other difficulties of a similar nature, however, may I hope be removed, if the recent on hand, and all kinds of COALS, always ready. We leave it to your Excellency to judge of convention should come into operation. It is the expediency of this measure politically, in therein provided that all foreign textile fabrics connection with which the matter of Octroi shall pass free of all charges in the nine 6m 2109 Hongkong 8th November, 1869. duties holds a prominent place. We are far provinces, whether in Chinese or foreign hands, from wishing to have undue advantages cons on payment of the Import and Transit duty CHIPCHANDLER, COMPRADORE ferred on foreign trade, but there are so many together, and this without the necessity for any ways in which this tax can and does become transit pass. The collection of the transit duty a powerful agent for thwarting the sale of Dri-tish manufactures and maintaining the foreign the one payment is held to be an equivalent for Families and Shipping funished with overy kind of Supplies. Ballast and Water provided merchant in ignorance of the requirements of every kind of inland tax that can lawfully be at the shortest notice, and on the most reasonthe place or its capabilities of consumntion, that levied. the matter becomes one of paramount import- With reference to the injury inflicted upon able terms.—II hampon Beef. ance. By Chinese, acquainted with the locali- the trade of Swatow by the proximity of Hongty, conversant with the different means of kong and the further facilities afforded by the access to the place, able at the proper time and julisence of an effective preventire scryice comwith the proper person to have recourse to bined with the corrupt practices of the native ticulare, apply to bribes, the inconvenience is less felt; and the authorities along the coast for large smuggling various markets offered to them for their goods operations, I trust something may ultimately in transit render such taxes in many instances be effected to remedy the evil you point out, and nutratory. On these grounds we argue that put the colony and the Treasy Ports on a more there is no undue advantage to the foreign equal feeting merchant, if he enjoy immunity from such | It is indeed very desirable that steps show taxes and unless it be a matter of congratula. be taken with a view to the adoption of more tion that China is as she stands at present, and satisfactory arrangements than those now that we are to be content that she absorbe so existing between the Chinese and the British Butchers, Grocers, and Market Compradors. much of our industry as she does, it appears an Colonial authorities; and I am, in compliance Store 73, corner of Wellington and Graham Sis. is justice that those who have contributed with instructions from Her Majesty's Governtowards it may been have to variate the field- ment, now in communication with His Excel. tf 861 Hongkong, let May, 1869.

We submit with deference --

Revenue of China, but went instead into the in which case the commerce of the southern | lency the Vicercy of the two Provinces with a so far at the Chinese were concerned, was not. Nor would that Unionv. derive any benefit, By a mutual account and the adoption of doubt at bottom of it. If Wengehow were for, unchecked by the wholesome restraint of resiprocal measures on the part of the Chinese opened, the moment it became a resty port, the foreigner at the minor Ports; manufactures and the Colonial authorities, I see no reason all the trade that goes to if would flow sold to Chinese at Hangkong, and by them infrom Hongkong; and it whale seem that the ported, would be easily subjected to any amount the neighbouring coast should not be placed on THEN DELAPERS, SILK MERCERS whole object of the measure was to the damage of taxation the white or capacity of the Native a more regular and entielectory footing, so as of this colony. Because they saw fit to open a muthorities might choose to impose. From to protect the Chinese Revenue without unnew port in the North, that surely was not a prother point of view also viz. the immunity reasonably obstructing the daily and legitimate just reason for closing one in the South; and of native manufactures from such taxes, our traffic between the Colony and the manufactures from such taxes, our traffic between the Colony and the manufactures from such taxes, our traffic between the Colony and the manufactures from such taxes, our So far as the disposition manifested by the Departments, which are now unisually well Still mure detrimentally dues the Commerce Vicercy to meet these views is concerned, there assorted with their new designs for the Winter tend to the injury of Hengkong, at which there of this Port suffer from the differential duties seems to be no insuperable obstacle, and any trade was an enormous amount of capital sunk on of this Port suffer from the differential duties seems to be no insuperable obstacle, and any trade was an enormous amount of capital sunk on or one rore suner men one uncreased that will plainly tend to discourage of the discourage of th for the trade, in the South of China. There were points which would be more approximated the contract of the China and the High printery alluded to by the Chamber of merone Bays and Rivers available between to. Authorities who administer the Provinces, that BLACK AND BLUE BROAD CLOTHS Commerce, such as that one clause of Art. XII. diminish the distance, it requires but a glance they will I believe readily conour in such aragreeing to an increase in the duty on opinm to comprehend how prejudicial to the interests imagements as may at the same time he necesas the price of the privileges which were set of this Port is the enconvarement given by the sary to protect and facilitate the legitimate forth not one of which would be of the local authorities to this traffic, from which they commerce of the Colony. Both must be pro-Were the Customs here less strict, or a trust- result, and all the advantages of a Treaty Port Minister to agree to further concessions to the worthy constguard organized, no complaint in China under closely regulated conditions of TWEEDS and SILK MIXTURES. Chinese; and he must say be could not see upon could stand, but constituted as is the one and trade can scarcely be combined with those of a what valid ground, the increase in the tax on absent as is the other, nothing but disappoint free port in the British dominious which respire was sanctioned. The theory was that ment can result to the simplest commercial cognizes no Customs control tendence of practical West End CUTTERS. China objects to the smaking of opinin, and that calculations.

The treatment of claims against Obineso is of accommodation for any settlement to be ar-The truth was that the taste for the drug was also a subject which calls for improvement rived at. The Chinese are willing to concede a so strong that in defiance of all restrictions the if not indeed total reform. Payment of right of transhipment and other conditions of Chinese will have opinm, and the result of the the best-founded claims, acknowledged by the treaty port to Hongkong, but the merchants tax imposed open it was, like all protective defaulters as such, is subject not to their cannot expect to combine all the advantages of duties, simply and designedly to stimulate the ability but to their willisquess to meet, them; a free port with the privileges of a Treaty Port. GENTLEMEN'S INDIA GAUZE, MERINO, growth of the native drug. Against this, and reference to the Chinese authorities is of So far as trade in native junks with the maingrowth of the native areg. Against this, and represents to the Chinese authorates is of loud is concerned, a certain regulated right of state of things which militated not only owing to the venality which provides all the supervision and control over their own ships of India. This port was the natival channel to bear on the delinquents being of course at the exercise cannot be refused without destroy. or make This port was the natural channel to bear on the deimquents being or course at the Chinese revenue on the one band and through which the trade flowed, and if the variance with fact. The vexition, the delay, ing the Chinese revenue on the one band and through which the trade flowed, and if the addition uselessly apent in periodically bringing exposing the Treaty ports on the other to a comdiminished, and injury result, we could not say such chains to their notice through the Cousai, petition on unsqual terms, of which you are even in how many ways, not only indirectly, but are almost effectual barriers against pressing new complaining. Nor is any such inequitable directly. It was, therefore, only right that the them at all, and a premium is thus being arrangement contemplated by Her Majesty's advantage and concession there is much to be Gentlemon's Kid, Dogskin, Bouver, and Cloth through the colony to lay their views before
